Dear Counsel – thanks for taking the time to confer regarding this matter yesterday. After due consideration, and after consultation with my supervisor and office colleagues, we will be unable to resolve this issue as you have suggested (essentially your proposal was that the parties agree to continue discovery so that the government can conduct additional discovery as to the newly-disclosed witnesses and evidence). We will be filing a motion on Monday to strike the Amended disclosures to the extent they name new witnesses upon which the defendants intend to rely.

Regards,

Chris Larsen

Hey Chris,

I have not yet been able to locate Marshall and Conrad's Responses to your Requests to Admit to scan into the system. (Our secretary is out for the day.) So, what I have done is attached what I have been able to locate so far, and converted the Word document of the response to your request to admit into a pdf so I can email it to you. I have also attached pdf scans of my June 16 cover letter to you, the scanned 26a1 supplement, the McNeel depo notice. I have also attached a certificate of service of the 26a1 supplement, which I executed today to alleviate any concern you have over the timing of service. Please let me know if you have any problem opening any of this.

We added Paul Crocker on page 4 of the 26a1 supplement.

If our June 16 mailing comes back to our office, I will alert you. If you guys receive it, please let us know.

I will be ready for your call at 4pm.
